16th March 2019

To whom it may concern,

I have been trialling the Eye Yoga Device with my patients and they have been reporting less eyestrain and less fatigue in their eyes, within 7 days of its usage. The device is easy to use, comfortable to wear and I believe it will provide long-term benefits with regular use for minimisation of digital eye strain and those with both distance and near focussing conditions.

Yours Sincerely

CONCORD EYE CARE
